

2017 Holiday Cookie Workshops And Kid-Friendly Cooking Classes

Bring along the kids, adults and grandparents, as we share the Holiday Spirit by welcoming guest Chefs to assist us in baking classic cookies and biscotti from around the world.

Then we'll decorate assorted pastries with whimsical designs, brightly colored icings, sprinkles and sugar crystals. Continue to share the Holidays by taking some cookies and biscotti home to family and friends. Yum! Yum!

Kids Cuisine Holiday Class Series

Open to children between the ages of 4 and 18, this class is exciting and educational for everyone. Moms and Dads can drop off the kids and enjoy Holiday shopping in Lake Geneva.

In this “**hands-on class**”, kids will be able to learn the importance of proper nutrition while enjoying a well balanced Holiday themed meal. After everyone is done cooking, we will sit down for a family style lunch where the children will learn and discuss 12 Basic Table Manners for Kids. It's a great way for children to make new friends and explore a new activity in a fun, controlled environment where we don't mind a mess!
