

Sausage Making and Football Tailgating Traditions 2018

Match playoff football with championship tailgating right here in the kitchen with our large screen TV and Chef John's traditions!

Join Chef John as we make homemade Italian Sausage, Mimosa's, Bloody Marys and WI Micro Brews.

Come with your buddies or come with your family for this "hands-on" approach to the football season. You'll be making your very own Italian Sausage from scratch with all the sides and beverages you need for a true football experience. It brings new life to a classic tradition! We'll have the big game on our TV as we make a feast fit for any Tailgating King!
