Reminiscent of the Good Ol' Days at the Playboy Club in Lake Geneva, Maitre d' Extraordinaire ***Jerry Pawlak*** will share stories and demonstrate tableside dining.

In the United States, the position of Maitre D' may be a part of the role of a manager or supervisor in charge of the "front of the house" operations. In the original French language Maitre D' is literally the "master of the hotel".

**In this combination of Hands-on class and Dinner Demonstration, you will help prepare Shrimp Scampi, Classic Caesar Salad, Steak Diane and Bananas Foster.**

Enjoy this journey of a bygone era.
